

# TRACMAN TRIAL

## FEBRUARY 2007 UPDATE!

### PATIENT RECRUITMENT

Recruitment now stands at 493! Which ICU will recruit the 500<sup>th</sup> patient?

TracMan is aiming for a total of 1,692 patients. With over 490 patients recruited TracMan is the largest tracheostomy timing trial in the world.....but we need to get even bigger!

In 2007 let us think of 'V for Victory'. Victory is within our grasp but we need **all 60** collaborating ICUs to recruit **at least 2 patients a month during 2007!**

Call us! Email us! Tell us how to help you 'Think TracMan' in 2007:
