Thank You!

Thank You!

May 2006 Recruitment:

Well done to:

Derriford Hospital

Our top recruiting hospital in May!

However.....

Thank you to all ICUs
who recruited a patient
this month as you hit
your target of at least
one patient a month!

A special welcome to the following hospitals:

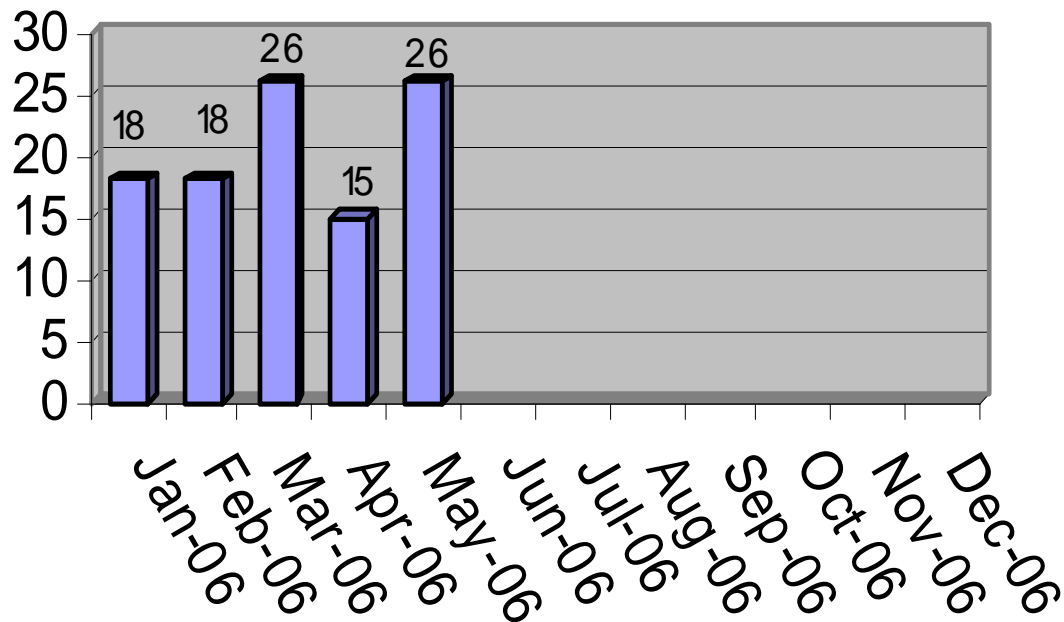

1. University College
2. Ninewells
3. Barnet

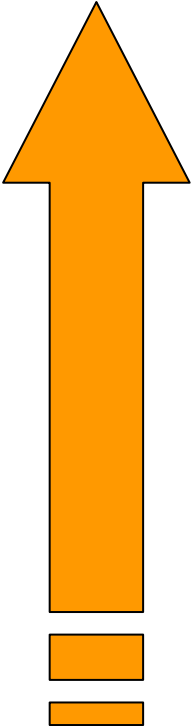

All recruited their first patient(s) in May!

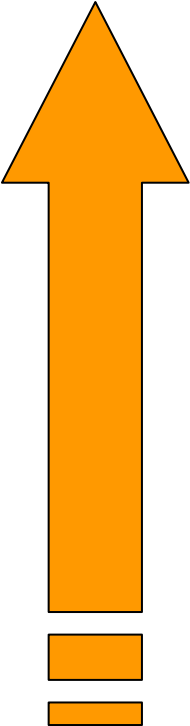

Recruitment Graph 2006

Patient recruitment by month

May was
11 patients UP
compared to April!

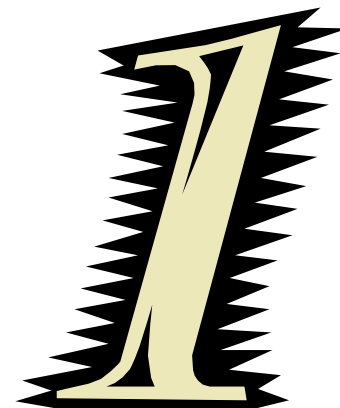

Fantastic!

Lets keep it moving up!

Is the magic number!

We need each ICU to recruit at least 1 patient to the trial each month!

ICUs not yet
recruited a patient

ICUs not yet recruited:

1. North Middlesex Hospital
2. City Hospital Birmingham
3. Aberdeen Royal Infirmary

**We hope to have a recruit
from you shortly!**

New Administrative Assistant

We are delighted to introduce Deirdre Newman to you.

Deirdre is based in the trial office and will deal with all administrative and data collection aspect of the trial.

She has worked in clinical trials quality assurance in the past.

New Research Nurses

- We are also delighted to inform you that interviews for the two Research Nurse posts have taken place.

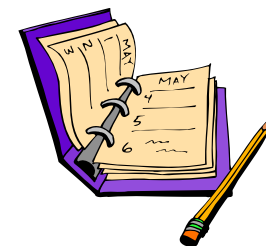

- The nurses will be in post mid September. I look forward to introducing them to you.

- They will be travelling around the UK visiting you all.

A date for your Diary!

TracMan Collaborators Meeting

Monday 2nd October 2006 in London

Book your day off now!

Further details to follow nearer the time.

And remember.....we need just one
patient a month from each ICU,
just one!

Best wishes
from the
TracMan Team!

**We look forward to receiving
your patients in June!**
